**A**BOUT two days from now, depending on your local timezone, 2021 will be over. It's almost December 30<sup>th</sup> -- 30 minutes away to be precise -- in [JST](#) [3].

2021 was very good to us. We served about 190,000,000 hits, we published about 18,000 nodes, and about half a dozen regular contributors were involved, both behind the scenes and in public. In 2022 we'll turn 18.

Earlier this year we moved [our IRC channel](#) [4] from the Freenode network to the Techrights network and days ago we [published all the IRC logs](#) [5]. They tell quite the story. [?](#)
