Almost 2,500 "followers" will be lost

[2]

OVER the past couple of years we've not done anything special in site anniversaries, except [the 15th](#) [3] (months before the COVID-19 outbreak). We'll soon change our account in Diaspora because [JoinDiaspora is shutting down](#) [4]

. Our account had been there for over a decade, even before it was adopted by *TuxMachines*, but all things come to an end. We'll say more nearer to the time of migration (some time in March). [?](#)
