Enlightenment E17 Beta 3 update ready for PCLinuxOS

By *Texstar*

Submitted by Texstar on Thursday 16th of December 2010 09:50:45 AM

I finished up packaging Enlightenment E-17 Beta 3 desktop. There still seems to be a few bugs in some of the non-core libs but overall a good release from the Enlightenment developers. This update will appear shortly in your Synaptic Package Manager if you have the Enlightenment desktop installed on PCLinuxOS.

Happy Holidays from Team PCLinuxOS

Tex
