Just wanted to post a big THANK YOU to jrangles for donating his time and wonderful talent to make us a great new logo and header background image here at tuxmachines.org. You might know his work from being offered on [kde-look.org](#) [2] or from being the primary graphic artist for [pclinuxos](#) [3]. His newest work for that distro is on display in the [tuxgallery](#) [4]. Mosey on by and take a look before you leave.

Thanks again Jose.
