Hi !

Vietnamese Hacao.Office 2.01 for desktop & laptop.

You don't need Windows & Office XP for working at Company, School, Home,...
Easy install it to USB in 2 minutes, Hard disk in 5 minutes,... Iso file 174M only.

Can you mirror Vietnamese Hacao.Office 2.01 (just released) to other server ?

<http://dotpups.de/isos/hacao.office201vn.iso> [2] (174M)

MD5: <http://htb65.de/puppylinux/puppy-releases/isos/hacao.office201vn.iso.md5.txt>

Because, Big View on a few news paper in Vietnam & Big Download.

I will post the list of mirror on the first page Hacao's website

<http://hacao.com> [3].

Hacao & Puppy linux more populars then last year in Vietnam.

Now, Vietnamese user can buy it (\$0.5) from Computer CD software shops in Vietnam Smiling

Thanks you very much.

Hacao
