# Anonymous Submissions

By *srlinuxx*

Created *07/09/2006 - 12:05am*

Submitted by srlinuxx on Thursday 7th of September 2006 12:05:25 AM Filed under [Site News](#) [1]

Tuxmachines is now forced to halt the submission of anonymous news/links at least for a while. I think some new kind of bot is filling up the queue with numerous submissions of various spam. Blocking ips isn't practical as they all seem to come from different machines. IPs tend to be transient anyway. This has been going on for a coupla weeks, but it's getting really bad now. I apologize to the legitimate contributors.
